Watch TV, look at the paper, listen to the radio, surf the Internet and it's pretty clear that our culture encourages us to make a mad dash to the "holidays." The weeks leading up to December 25th will be filled with Santa, carols, and other Yuletide imagery. Yet in all our hurrying and scurrying towards Christmas, we risk missing the deep riches of the Advent Season: the chance to slow down, catch our breath, and get ready for the arrival of the Christ Child.

As Advent begins, First Congregational Church invites you to slow down and join in worship, fellowship, study, and song; immerse yourself in this season of anticipation; and take a moment to prepare yourself for joy incarnate.
